BEGGAR PRINCE
OPERA COMPANY

The next attraction to be presented in the Fort Pierce Improvement club hall will be the famous Beggar Prince Opera Co., presenting their latest success, "Birds of a Feather," a comic opera in two acts. This opera ran 200 nights in New York and 150 nights in Chicago. Special scenery is carried, also electrical effects, together with a large chorus elegantly costumed. The birds are known as Hobbs and Dobbs, and they are played by Mr. Harry Leavelle, the well-known tenor, and Mr. Fred Godding, comedian. Twenty musical numbers are introduced during the action of the opera.

The famous beauty chorus is a prominent feature, and their costumes for each musical number are as gorgeous as any ever carried by a traveling organization.

"Birds of a Feather" is purely a comic opera, with not a dry moment, but one continual round of laughter.

Secure your tickets now at the Fort Pierce Drug store. Reserved seats, 50 cents; general admission 35; children 25 cents.

Attention, Woodmen!

A special meeting of Indian River Camp, No. 53, Woodmen of the World, will be held in the lodge-room Saturday evening at 8 o'clock. A full attendance is earnestly requested.
